

# Children Services at The Center for Recovering Families

Counseling, education and support for children and families affected by addiction. Children's Services are available to the community whether there is current or past substance use in the family. We serve children from 0 to 20 years of age.

## Children Services Offers:

- Kids Camp at The Council
- Assessment
- Play Therapy
- Individual, Family, and Group Counseling
- Parent and Community Coaching
- School Consultations

## Kids Camp at The Council

Kids Camp is designed for kids age 7-12 from families who have struggled with substance abuse or are still struggling. Contact us today to find out when the next camp is scheduled.

**Referrals for developmental and medical services are also provided.**

**Adverse Childhood Experiences (ACEs) are a significant risk factor for substance use disorders. These may include stressful or traumatic events such as:**

- Abuse
- Neglect
- Substance misuse within the household
- Domestic violence
- Parental separation or divorce
- Mental illness within household
- Major transitions
